INTRODUCTION OF CHINESE GOVERNMENT TRANSPORTATION SCHOLARSHIP PROJECT

In order to enhance the mutual understanding and friendship between the Chinese people and the peoples of other countries in the world, and to develop exchanges and cooperation between China and other countries in the world, especially to train excellent talents in the transportation industry for the countries along the “Belt and Road”, the Ministry of Education and the Ministry of Transport under the framework of the Chinese Government's “Silk Road” Scholarship, cooperated to set up this Chinese Government Transportation Scholarship Project. Entrusted by the Ministry of Education and the Ministry of Transport, Dalian Maritime University recruits full-time Chinese Government Transportation Scholarship students from all over the world.

I. Recruitment Target: Master Degree candidate

II. Scholarship coverage: shall be implemented in accordance with the Chinese Government Scholarship Standards, it covers the following:

- Tuition fee, application fee and free-on campus accommodation;
- Monthly living allowance is 3,000RMB/month;
- Comprehensive Medical Insurance and Protection Scheme for International Students in China;

Note: Scholarship recipients registering on or before 15th of the registration month will be granted the full living allowance of that month. Recipients registering after 15th of the

registration month will be granted half of the living allowance of that month.

For other details, please visit the website of China Scholarship Council at <http://www.campusinchina.org>

III. Application Deadline: March 30th of 2020
